Dear AAP Patron and Supporter:

Once again, the American Association of the Philippines (AAP) is getting ready for the upcoming school year. Apart from the School Supplies Drive that we are presently embarking, *we would like to solicit cash donations* to help sustain the children's schooling for the rest of the year.

This year, we are expecting more students, specially our college students. This early, we now have 26 qualified students under our Educational Assistance Program, and we expect to double the number from last year.

For the last school year 2006-2007, we are proud to report that we have a 100% passing rate for all our 15 students. Four (4) of our students finished high school, and they are now preparing for their college education.

The following are the modest costs incurred in sending students to school for one year:

Elementary – USD 16.66/mo x 10 months and USD 41.66 start-up budget = **USD 208.32** (Php 10,000)

High School– USD 31.25/mo x 10 months and USD 41.66 start-up budget = **USD 354.16** (PhP17,000)

College – **USD 521** for tuition fees, projects and start-up budget (PhP25, 000)

While the figures above are guidelines, any amount will be greatly appreciated, and carefully spent. You can be confident that our Social Worker, Agnes, and the Social Welfare Committee, will closely supervise the distribution of the money collected for each individual. We also monitor how the money is spent. Of course, each child's progress is reported to their sponsor.

Please help make one's dreams come true. Use the form below and make your check payable to American Association of the Philippines. Or, for further information, and payment instructions, please contact Shirley or Agnes at 892-5198 / 892-2510 or email aap@eastern.com.ph

Thank you very much for your attention, and we are hoping for your positive response.

Yours sincerely,

WILL FEUERSTEIN
