Dear AAP Patron and Supporter:

**Do Get Involved!**

Now on its 2<sup>nd</sup> year, AAP is embarking once again on its School Supplies Drive. We would like to solicit promotional or signature items like pens, notebooks etc. from you (or your company) to give our **40 prospective students** a great start. Also, do you personally know any person, or any company, who might assist us in this endeavor? If you do, please let us know and we can contact them directly. **Our collection deadline is May 18, 2007. All supplies must be brand-new.**

As you may well know, our drive aims to provide complete set of new school supplies to our student beneficiaries. Armed with these supplies, our students would surely be more motivated to do well in their studies.

In addition to our student beneficiaries, supplies will also go to a few residential centers which send children to school.

**We need your help!** This is a worthwhile project that allows us to create a lasting change in our community by investing in our children. Your support will help children gear up for the coming school year, amidst the challenges they are facing.
